

Sophie and Seth's Manifesto!

Hi, we're Sophie and Seth and as two easy-going and friendly characters, we would love to be freshers' reps!

We hope to be as approachable to all freshers as possible, ensuring that everyone is able to participate and engage in the fun-filled activities we put on. From chill nights to club nights, we hope to provide a variety of events, making it easy for the next generation of freshers to transition into life at Downing while getting to know one another.

Through personalised welcome packs, filled with tips for freshers, the afternoon of fun and input from the societies we hope to give freshers a taste of what's on offer at Downing and the great friends you can make here.

We want to include the aspects that worked so well and made our experience one to remember: themed ents in the bar, accommodation swaps, family day, plus adding in new events such as an inter-accommodation quiz in the bar and team-based challenges. This will give freshers a stress-free and, hopefully, amusing way to meet people from across the year.

As highly committed and driven people we are confident in our ability to pursue new sponsorships and organise fundraising to make it an enjoyable and unforgettable week. As close friends we are really looking forward to working with one another and in a team with similarly enthusiastic and admin-loving freps who we want to contribute to create the best possible week for the incoming freshers.
