In our time here, we have greatly enjoyed being a part of the vibrant LGBTQ+ community at Downing. We look forward to expanding the number & variety of events, as well as ensuring utmost inclusivity.

Liam & April for LGBTQ+ Officers:

In addition to continuing the wonderful work of the previous representatives Elliot & Maddie, including LGBTea + Cake, we have the following proposals for the duration of our term:

1. **Increase the number of LGBTQ+ events**, including a fortnightly film night & more frequent swaps with other colleges. Moreover, we would work to invite more speakers on LGBTQ+ topics. We would also create a Downing LGBTQ+ term card.
2. **Improve collaboration with societies**, such as Downing FemSoc & the Downing Dramatic Society, with the aim of increasing LGBTQ+ representation.
3. **Enhance our relationship with CUSU LGBT+**, ensuring you are notified of events at a university level. Furthermore, we will endeavour to avoid clashes between Downing & CUSU events.
4. **Implement college-wide gender-neutral toilet facilities**, specifically in the JCR & the Maitland Robinson library.
