

Jed 4 Pres

I approve this message!!

My name's Jed, a second year geographer and your current Green Officer. I'd love to be your JCR president, and help college become a more accepting and friendly environment.

I've gained top-notch admin skills being Green Officer, the VP of CUCFS and DDS publicist. I would ensure fair and transparent JCR practices, as well as protecting college members and hearing everyone's concerns.

I've previously helped create the 'Take Me Initiative' for the CU Foodbank Society, whilst also introducing Downing KeepCups and holding the first ever Downing Plant Fair as Green Officer! I hope to introduce some new policies if voted Pres, including beginning a Downing 'Cut The Rent' campaign.
