

# ALASTAIR MACDONALD FOR SPORTS OFFICER

## ABOUT ME

I'm a first year engineer and play for Downing College hockey club as well as the university. I also play badminton for the college. I have previous experience coaching so would be able to help people taking up new sports. I wish to take up the role of sports officer to maintain the high standards the college has set in recent years, and help others get as much enjoyment out of sport as I do.

## MY AIMS:

- To continue the weekly sports report as I have enjoyed keeping up to date with Downing's sporting success.
- To push forwards the changes being made to Downing gym so as to improve the facilities for its users.
- To encourage more involvement with sport, particularly through publicity in fresher's week, so that more people can enjoy sport in the relaxed environment that college sport should be. This would hopefully include more open sessions to allow people to participate without it being too competitive if they wish.

Proposed by: Will Byrd  
Seconded by: Chris Suen
