

SACHA FOR JCR TREASURER!

Hiya – I'm Sacha, a 2nd year PBS student, and I'd like to be your JCR Treasurer for next year! I am especially keen on encouraging the JCR student body to decide what extra JCR funds should be spent on.

Email me at svh28@cam.ac.uk if you have any questions!

WHY ME?

- As Vice-President of the Downing Dramatic Society, Publicity Officer for the Downing College Music Society, and Captain of the Downing College Mixed Lacrosse Club, I am involved in many aspects of college life
- I have lots of experience liaising with senior members of college staff
- My college positions of responsibility have made me very aware of the funding required by different clubs and societies

MY AIMS?

- I want to increase captains'/ society leaders' awareness of their allocated budgets, including providing termly updates detailing how much funding their club/society has left to spend
- I am keen to encourage JCR members to support matters they are passionate about by raising the sum of the initiatives fund (used for funding new societies)
- 'Divestment' is very important to me – I would like to continue Bertie's work investigating college investments in oil companies, and encourage Downing to divest where possible
- I believe the student body should have more say in where JCR money goes – I will provide JCR members with the opportunity to vote on ways to spend extra funds
