

RUNNING AS YOUR WOMEN'S OFFICERS FOR 2018/19

Naomi Wilson (nw370)
Second Year Economics

Anna Gelband (arg68)
First Year English

Our Agenda

FemSoc

- **Aiming to further grow FemSoc's membership with more controversial debates and discussions. We want to diversify membership further by creating debates concerning men's issues, as well as for those in college who are transgender/non-binary.**
- **Having FemSoc Ents in the bar, such as the yearly women's quiz on International Women's Day.**

Women's projects in Downing

- **Increasing women's visibility in college through talent showcases, including a women's-only production in collaboration with DDS and a bar music night featuring female performers.**

Women in sport

- **Diversifying traditionally gendered sport in Downing, through greater support of women's football and rugby, and of mixed sports.**
- **Supporting women's use of gym facilities in Downing, including arranging basic instruction on use of new free weights.**

Period supplies in college

- **Working with the green and welfare officers, and college, to secure a partnership with a provider of sustainable menstrual supplies, such as Mooncups, for women in college.**
